TryHackMe: [tryhackme.com/p/suyashgargote26](https://tryhackme.com/p/suyashgargote26)

## Summary

Cybersecurity Enthusiast skilled in penetration testing, Linux, and secure coding. Experienced with Nmap, Burp Suite, and Wireshark. Hands-on practice in CTFs, TryHackMe labs, and security projects. Eager to contribute to real-world security challenges.

## Education

B.Tech in Electronics and Computer Science, Pillai College Of Engineering, Panvel (2023 – Present)

CGPA: 7.65

## Experience

Technical Member – GDG On Campus PCE | 2025 – Present

- Organized workshops & hackathons to enhance technical and community engagement.
- Contributed to cybersecurity & cloud discussions.

College Ambassador – Techfest IIT Bombay | Sep 2024 – Dec 2024

- Promoted events via campaigns, posters, and web development.
- Achieved Top 500 Ambassador rank nationwide.

## Projects

Password Vault – Python CLI Tool

- Secure password manager using Fernet encryption & master authentication.
- Applied cryptography principles with modular design.

GitHub: [github.com/SuyashGargote/Python-CLI](https://github.com/SuyashGargote/Python-CLI)

## Skills

Programming: C, Python, Bash, C++, Java, JavaScript, Dart

Databases: SQL, Firebase

Cybersecurity: Nmap, Burp Suite, Wireshark, Nikto, JohnTheRipper, SQLmap, Linux, OSINT

Other: Git, GitHub, HTML, CSS, DSA

## Certification

- Career Essentials in Cybersecurity – Microsoft & LinkedIn
- Linux 101 – TCM Security | Hackerrank Python (Basic)
- NPTEL Python for Data Science | PCB Design – PCE

## Extracurricular Activities

- Winner – Code Clash (CSI PCE)
- Mentor – Makerthon 2024
- Team Leader – Smart India Hackathon

## Language

English | Hindi | Marathi
